

Self-Certification Statement

I _____, the applicant understands and agrees to the application instructions, requirements, and specifications. By executing this statement I've committed my company to certify that all family group member products meet DLC minimum requirements for all applicable parameters such as minimum light output, zonal lumens, efficacy, CRI, CCT, lumen maintenance, etc. and that the LED package and driver used in all of the products within the group are identical except for the LED package CCT. If DLC determines that any one fixture of the proposed actually fails to meet the claimed specifications then the entire application shall be voided.
