

How to Save and Download Searches from the Qualified Products Lists

Sign into your MyDLC account first! Sign in is required to save searches and download products.

The screenshot shows the top navigation bar of the DLC website. The navigation menu includes: FIND PRODUCTS, ABOUT US, OUR WORK, RESOURCES, NEWS & EVENTS, and JOIN US. To the right of the menu is a search icon and a yellow button labeled "MyDLC" with a person icon, which is circled in red. Below the navigation bar is a large hero image of three people (two women and one man) looking at a laptop in a modern office setting. Overlaid on the left side of the hero image is the text: "Our purpose is to improve lighting quality and save energy for people and the environment." Below this text is a link: "COMMENT ON DRAFT POLICIES →". At the bottom of the page, there are three colored sections: a blue section for "News & Events" with the text "Welcome to the new DLC website!" and the date "August 1, 2021"; a yellow section for "Find Qualified Products" with a search input field containing "By Model or Manufacturer" and a dropdown menu for "Select a QPL"; and a green section for "New to the DLC?" with a link for "About Us".

Once you click the MyDLC icon, you can sign in to your account OR create an account.

The screenshot shows the MyDLC user interface. At the top left is the DLC logo. The navigation menu includes 'FIND PRODUCTS', 'ABOUT US', 'OUR WORK', 'RESOURCES', 'NEWS & EVENTS', and 'JOIN US', followed by a search icon and a 'MyDLC' button with a user icon. Below the navigation is a breadcrumb trail 'Home / MyDLC'. The main content area features two buttons: 'Sign In' and 'Create an Account'. A red arrow points from the 'MyDLC' button to the 'Sign In' button. Another red arrow points from the 'Create an Account' button to the 'Create an Account' text. Below these buttons is a section titled 'Sign in to your account' with a sub-header 'Log in here to access your DLC account, manage your saved searches and QPL downloads, and submit QPL applications.' This section contains an 'Email Address*' input field, a 'Password' input field, a 'Forgot password?' link, and a blue 'SIGN IN →' button.

Navigate to the QPL landing page from the main menu.

Select the QPL you'd like to search.

The screenshot shows the top navigation bar of the DLC website. The user profile 'Liesel Whitney-Schulte' is circled in red, with a red arrow pointing to it from the text '*Be sure you are signed in'. Below the navigation bar is a dark grey header with the text 'DLC Qualified Product Lists'. The main content area features three columns, each with a category title, a description, and a blue button labeled 'Browse Qualified Products'. Red arrows point to each of these buttons from below. The categories are: Solid-State Lighting (with a 'DLC QPL LISTED' logo), Horticultural Lighting (with a 'HORT DLC QPL LISTED' logo), and Networked Lighting Controls (with a 'DLC QPL LISTED' logo).

DLC Qualified Product Lists

Search the DLC Qualified Products Lists ***Be sure you are signed in**

The DLC Qualified Products Lists are the largest verified lists of high performing and energy saving LED lighting solutions in the world. Qualified products undergo thorough vetting and review by DLC experts to ensure they meet our rigorous energy and quality requirements. Choose between solid-state lighting products, horticultural lighting products, or networked lighting controls systems below to begin your search for energy efficient lighting solutions.

Solid-State Lighting

Search over 80 categories of indoor and outdoor commercial LED luminaires, retrofit kits, and replacement lamps.

[Browse Qualified Products](#)

Horticultural Lighting

Browse the greenest horticultural lighting fixtures on the market to capture energy and cost savings for your facility.

[Browse Qualified Products](#)

Networked Lighting Controls

Find out what networked lighting controls can do for your facility while saving up to 50% more energy than LED lighting alone.

[Browse Qualified Products](#)

Creating a saved search allows you to easily re-access frequently used search criteria.

Step 1: Use the filters on the left to perform your search.

The screenshot shows a search interface with a sidebar on the left containing various filters. The filters include 'Listed Products', 'Technical Requirements Version' (with 5.1 selected), 'Classification' (with Standard selected), 'Category', 'General Application', and 'Primary Use Designation'. A 'Save Search' button is highlighted in yellow at the top of the sidebar. A red arrow points from the 'Save Search' button to the text 'Step 2: Click "Save Search"'. Another red arrow points from the text 'Step 1: Use the filters on the left to perform your search.' to the filter sidebar.

Step 2: Click "Save Search".

The 'Saved Searches' dialog box is open, showing a text input field with the text 'My Favorite Search' and a blue 'SAVE' button. The dialog box also contains the text 'Save Current Search: Enter a name and short description for your current search settings and click the "save" button for easy future access.'

Step 3: Name your search and click "Save."
